 Dear Parent,  
 Greetings from Resonance!

 06<sup>th</sup> December 2023

We are pleased to inform that your ward is completing class XI of the foundation course of this session and is about to be promoted from SAKSHAM (MA) to SANKALP (MPA) Class XII in the coming session 2024-25. The students in Hindi medium will be similarly promoted to SANKALP (MPH). For all these students, this will be their next step towards success and Resonance has planned the entire year to strengthen the foundation of their success.

Resonance was founded on 11<sup>th</sup> April 2001 with a vision to impart education in an innovative way. Since then it has been continuously incorporating innovative methods to give the best education to students.

**"Starting early is the key to success"** and hence we complete the entire syllabus of class XI in a very structured manner. **New batches of Class XII will be commencing from 10<sup>th</sup> January 2024.** By starting session of 12th class early, the course will be completed early and students will get more time for revision of Boards & NEET (UG). Also, Classes for additional Support 12th board NCERT (All 5 Subjects) are going to be part of their curriculum which includes board pattern test as well at an additional nominal fee for those who wants to avail this benefit.

The students joining class 12th batches in January 2024 will be termed as MP. They will be undergoing 2+ months of classes (after depositing 1st Installment of the course fee) covering initial topics of class 12th curriculum. These students are likely to be benefitted in terms of more time for revision and getting prepared to tune with 12th syllabus. However, these topics will be covered in MPA batches which will be resuming from 1<sup>st</sup> April 2024. Resonance wishes the very best to your child. Surely, the RESONite would work hard to make a great career.
